Death, the Devil, and the Goldfish

Andrew Buckley

Death, the Devil, and the Goldfish Andrew Buckley

From the Bahamas to Heathrow airport, to the rain soaked streets of London the dead have ceased dying.

This is inconvenient for a number of reasons but what's the real reason behind the chaos?

In London we find Nigel Reinhardt, a disgraced, confused, and gifted London police constable who owns a prophetic goldfish. In Ireland the Angel of Death questions the value and position of his current employment. At Majestic Technologies Celina McMannis works diligently on a top secret project. At the South Pole there lives a very unhappy penguin.

When the Devil hatches a nefarious plot to take over the world by possessing a cute little kitty and seizing a factory of robotic Christmas elves it's up to Nigel and his group of unlikely companions to save the world or die trying... or both.
