La Caja de Besos (The Kiss Box, Spanish edition) Bonnie Verburg

A reassuring story about separation and love. In this soothing love story between mother and child, Mama Bear offers various vessels to contain their love while they are apart, but none seem right. It's not until Little Bear suggests that they make each other a Kiss Box filled with a hundred kisses that they are able to stay connected, no matter where they are. Whether it be an errand to the grocery store, a business trip, or the first day of school, this is a tender reminder that we are always together where it matters most: in our hearts.
