I Know You're a Mermaid! (Cambria the Mermaid #2) Vicki Funes

Cammi and Jim met the previous summer At Mer-Haven Island, the world headquarters for mermaids and mermen around the globe. Their friendship began with an instant attraction to one another, and quickly grew into a good friendship. Cambria knew that she'd miss Jim very much once her visit to Mer-Haven had ended, but took solace in the thought that both of them lived in California. They'd probably get a chance to see one another every once in awhile--or so she hoped. However, her friendship with Jim was about to become much stronger than she'd ever imagined!

Unknown to Cammi, her father had also become friends with Jim during their stay at Mer-Haven. What's more, her dad had invited Jim to come along on their family's upcoming road trip vacation. When Cambria heard the news, she was overjoyed!

The road trip began normally, with sight-seeing, camping and interesting activities. Unfortunately, problems soon arose. Cammi's brother became jealous of Jim and started picking fights. Even worse, a mysterious blackmailer discovered Cambria's secret mermaid identity and threatened to tell the world that her human-looking legs were merely a disguise!

Just as the trip seemed doomed, a strange turn of events happened: Jim and Cammi started being able to detect each other's thoughts and feelings by extra-sensory means. As they shyly began admitting each other's secrets to one another, their relationship began to grow deeper and more fulfilling. They were undeniably becoming "best friends forever."

Or...could it be that a romance was blossoming?

Other books in this series:

#1, MYSTERY AT MER-HAVEN: Cambria the mermaid was enjoying her life, not worrying about what tomorrow would bring. But, finding a mysterious object in the ocean, gaining an unwanted stalker, and meeting a handsome lab intern at Mer-Haven Island changed her life forever. And she couldn't be more pleased!

#3, CAMMI AND JIM: Jim's previously-neglectful father, Clarence, decides to re-enter his son's life, just as his relationship with Cambria is blossoming nicely. Suddenly, it seems as if his dad's desire for directing the lives of everyone around him is going to affect not only Jim, but also Cambria, as well.

When Clarence discovers that Jim and Cambria are beginning to develop an extra-sensory ability together, he assures the young couple that this is a natural development between mermaids and mermen who are falling in love. However, he may have ulterior motives for wanting Jim and Cammi to grow closer.

Jim ends up with frayed nerves more than once as he tries to reconcile with his dad...but Cammi always manages to soothe him and make him feel better. Her ability to sense Jim's thoughts and moods grows stronger every day, which makes it easy to know how to comfort him.

At the same time, Jim's extra-sensory understanding of Cammi's mind and heart is soaring. Their growing attachment to one another is becoming undeniable.

And so, despite their former attempts to remain "just friends," Cammi and Jim fall in love.

#4, JIM AND CAMMI FOREVER: Jim and Cambria have become sure of their love for one another. However, falling in love hasn't meant the end of every problem in their lives.

To solve a major problem from out of Jim's past, he and Cammi need to visit Mer-Haven Island, the world headquarters of the Mer-Community. There, doctors can perform a unique memory-removal procedure that will allow Jim to forget his troubled past and look ahead to a bright future. While at Mer-Haven, they also discover some surprising secrets about the history of the mermaids and mermen.

Throughout their visit to Mer-Haven, the island's beauty and mystique give them a romantic backdrop for some special private moments together. As their love deepens, Jim and Cambria decide that they wish to stay together---forever.
