King Richard III: The Death of a Dynasty (Part 2) Mark Wilson

“How An English Duke’s Courageous Sacrifice Led To The Most Infamous Medieval Atrocities Ever Recorded...!”

If you’ve ever wanted to understand what forced the House of York into a **series of horrific bloody 15th century wars** against the ruling House of Lancaster, then this book will *clarify everything*.

THE WARS OF THE ROSES CONTINUE...

In 1460 the French-born Queen of England has commissioned a foreign army of over 10,000 men and is marching south from Scotland to London to release the captive King Henry VI.

This is a crucial phase in the long-standing hostilities that become known as the Wars of the Roses, and England’s future hangs precariously in the balance.

KING RICHARD III: THE DEATH OF A DYNASTY (PART 2) follows the fortunes of some of the most courageous, cunning and wicked characters the medieval world has ever seen, including:

* **The duke who sacrificed his life so that his son could become king**

* *The English nobleman who would march his troops into a village, publicly execute one personally-chosen prisoner-of-war, and then move on to do the same thing at the next village*

* **The king who turned up for a battle, beheaded a prisoner in front of his opposition, and caused his enemies so much terror they fled without fighting**

* *The odd meteorological conditions led to the death of one of England’s greatest ever noblemen*

* **Why the English King earned a pension when he met the French King on a bridge**

* *How King Edward IV inadvertently turned his greatest ally, the Earl of Warwick, into his most dangerous enemy almost overnight*

* **The devastating rumour that caused the King to execute his own brother**

* *The French king who took over a year to die after an agonising infection in his throat slowly but surely swelled his throat shut.*

Told in its unique **fast-paced conversational “docudrama”** style featuring a mix of “modern narrative”, “first-person commentary” and sparkling “scripted dialogue” that really brings the medieval world vividly to life, this second part of The Death of a Dynasty trilogy continues to showcase some of the most remarkable characters in history.

If you’ve already read the budget-priced ‘Part 1’, then you’re sure to want to find out what happens next!

P.S. “Look Inside” before you buy...click on the book cover above to read the first 2 chapters for FREE!
