The Bible calls all Christians to share the good news about Jesus's death and resurrection with those who don't believe in Christ. Yet this task can often seem daunting. This study helps participants have the right perspectives on evangelism and shows them how to share the good news with others.

A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.
