"Twinkle twinkle little star. I *know* where you are."

Another threatening note sent to a beloved child star. But this time, the stalker got *inside* the house. Desperate to protect her young charge, guardian Blythe Cooper is grateful for the tall, strong bodyguard now standing sentinel at their door. Until Ethan Ryan awakens feelings in Blythe she *can't* acknowledge.

The former secret service agent turned bodyguard makes it his mission to protect children. The rules: never make it personal, and everyone walks away alive. Amendment: somehow, someday, keep beautiful Blythe and the little girl out of his heart—and safe by his side.
