As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs.
