Native to Nowhere: Sustaining Home And Community In A Global Age Timothy Beatley

Meaningful places offer a vital counterbalance to the forces of globalization and sameness that are overtaking our world, and are an essential element in the search for solutions to current sustainability challenges. In *Native to Nowhere*, author Tim Beatley draws on extensive research and travel to communities across North America and Europe to offer a practical examination of the concepts of place and place-building in contemporary life. Tim Beatley reviews the many current challenges to place, considers trends and factors that have undermined place and place commitments, and discusses in detail a number of innovative ideas and compelling visions for strengthening place.

Native to Nowhere brings together a wide range of new ideas and insights about sustainability and community, and introduces readers to a host of innovative projects and initiatives. *Native to Nowhere* is a compelling source of information and ideas for anyone seeking to resist place homogenization and build upon the unique qualities of their local environment and community.
