Out Of Darkness (The Starborn Uprising Book 1) Jason D. Morrow

Death doesn't wait for our approval. Death takes us when it is ready. Nineteen-year-old Mora knows this all too well, living in a world where the dead have walked the Earth for the past 60 years. Mora is on a mission to save her village from the relentless greyskins, and there is only one man that can help her: Jeremiah of Screven.

As she travels the wastelands, she discovers a power within herself, a power she believes no other human possesses. That is, until she meets others like her – the ones who call themselves the Starborn. These super-humans are on a mission also: to destroy the undead greyskins, and take down the greedy Jeremiah.

Mora must now choose between the one who can keep her family safe, and those who can show her who she truly is.
