The Templars' Last Days David Scott

It's the 13th October 1307. Friday the thirteenth in fact. And the arrest of key Templar Knights, under the orders of King Philip IV, marks the beginning of the end for this Christian Order. But how did it come to this? What happened to the Templar treasure? Why are the Templar vaults empty? Why is the Templar Fleet no longer at La Rochelle? And just where has the Holy Grail been laid to rest?

The Templars' Last Days answers these questions, by taking you through those dramatic few months in France, with its rich descriptions bringing to life the excitement and the intense manoeuvring and posturing behind the scenes as the negotiations reach their final conclusion – to devastating effect.
