What Is It Made From? (Bobbie Kalman's Leveled Readers: My World: F (Paperback)) Bobbie Kalman

This intriguing book asks children to identify objects made from different materials: metals, wool, rubber, glass, wood, and paper. Simple explanations follow each object describing where these materials come from: metals come from the ground, wool comes from sheep, glass is made from sand, rubber comes from rubber-tree sap, and wood and paper come from trees. An activity asks children to match objects with the materials from which they are made.
