## Witch One Dunit? (A Tale of Mystery and Confusion): A Rachael Penzra Mystery (Volume 1)

Elizabeth Schram

It's not always easy being a witch. Or a psychic. Rachael Penzra happens to be both, and to her extreme annoyance, she's not very good in either role. She's trying hard to improve her psychic skills, but it's difficult to do after a lifetime spent trying to suppress them. After inheriting a large house and successful New Age store, she hopes to finally have the time to become the psychic and witch she was always meant to be. The local coven urges her to join them, but she just wants to be left in peace. Fate, however, has other ideas. When murder strikes, the mother of the victim begs Rachael to help her. What can she say to a woman who has just lost her daughter? She agrees to try her psychic skills, believing this is likely nothing more than a placebo. Unfortunately, the killer doesn't share her belief.
