The pursuit of selflessness is truly a noble one. Truly something that should be, and needs to be, actively pursued! The only way to combat the evils and hardships that we all are exposed to is through selfless acts of kindness. Offering free, no strings attached love to our fellow man. Truly, there is no greater good in this world, than doing good for the sake of others and not oneself. By simply purchasing and reading this book, YOU have already taken the first step, and for that I commend you. However, I would also like to challenge you to not just “read” this book, but actually understand what I'm trying to accomplish through it. The easiest way for you to do so is to try at least one of these Acts of Random Kindness for yourself. Whether it be one of the Free and “easy” ones, or whether it be one from the “Big Idea's” list! No act is small, and it is also the changing of the heart that matters. So please, love, share, and spread kindness to all those around you. For, if we can all manage that, then surely this world will be a better place. Thank you and good luck!
