Pulp: A Novel

Charles Bukowski

Pulp: A Novel Charles Bukowski

Bukowski's final novel is a slightly surreal pastiche of the classic Mickey Spillane, Chandleresque private dick novel. Nick Belane, is a lonely, middle-aged, egotistical, alcoholic private detective who is badly in need of some lucrative work, but what he gets is a series of increasingly strange assignments from a bizarre collection of clients. He is asked to track down the long-dead French classical author Celine and an elusive red sparrow. He encounters aliens, heavies and even lady Death herself along the way. All the while Belane is convincing himself that he's still a white-hot detective and that nobody can take him for a ride, or indeed make him feel he's losing his mind. Boozing heavily and trying to avoid getting beaten up in every bar along the way, he finally reaches the conclusion that he's washed up. Bukowski's deliberately overdone writing takes us on a fantastical ride through the dark corners and dodgy dealings of Belane's film-noir world with guns, broads and heavysset thugs. A great demonstration of Bukowski's imaginative talents.
