## **The Worldwide Listening Guide** John Figliozi

This new, expanded 6th edition of John Figliozi's popular Worldwide Listening Guide explains radio listening in all of today's formats -- "live," on-demand, WiFi, podcast, terrestrial, satellite, internet, digital, and traditional analog AM and FM. Listening to programs from distant lands is no longer a late-night activity dependant upon shortwave propagation conditions. There are more than 20,000 radio stations worldwide that use the Internet to stream their broadcasts. Traditional radio receivers are being augmented by computers, iPods, MP3 players, satellite radio downlinks, and the new WiFi radios. The author even tells you how you can use your smartphone or iPhone as a listening device to access thousands of programs. Book contains listings for nearly 1,000 English-language programs broadcast by more than 100 stations from around the world. There is a whole other world of radio out there for your listening enjoyment. Use The Worldwide Listening Guide to join in the excitement of listening to worldwide radio, listening to news, information, music, and entertainment from around the world broadcast in English.
