**Business Communication: Rethinking your professional practice for the post-digital age** Peter Hartley, Peter Chatterton

Effective communication in business and commercial organizations is critical, as organizations have to become more competitive and effective to sustain commercial success.

This thoroughly revamped new edition distils the principles of effective communication and applies them to organizations operating in the digital world. Techniques and processes detailed in the book include planning and preparing written communication, effective structures in documents, diverse writing styles, managing face-to-face interactions, using visual aids, delivering presentations, and organising effective meetings. In every case the authors consider the potential of new technology to improve and support communication.

With helpful pedagogical features designed to aid international students, this new edition of a popular text will continue to aid business and management students for years to come.

### **From reader reviews:**

#### **Monica Philson:**

As people who live in the modest era should be revise about what going on or facts even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This Business Communication: Rethinking your professional practice for the post-digital age is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

#### **Joe Garner:**

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Business Communication: Rethinking your professional practice for the post-digital age, it is possible to enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

#### **Ethel Orr:**

Do you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work here is difficult job because you are afraid that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer may be Business Communication: Rethinking your professional practice for the post-digital age why because the great cover that make you consider with regards to the content will not disappoint an individual. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly direct you to pick up this book.

#### **Mitchell Wilder:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Business Communication: Rethinking your professional practice for the post-digital age can make you sense more interested to read.
