Inheriting a haunted house in notorious Pine Forest is the last thing Micky Gunn wanted, but escaping the Shadow People who haunted her world drove her toward the town and new terrors. When the Shadow People follow her, things go bump in the night, and weird accidents occur, Micky decides it's time to stop running and to fight back. Mysterious, gorgeous cop, Jared Thornton came to Pine Forest to investigate his Aunt Eliza Pickle's mysterious death. When he discovers that gutsy Micky is in danger, he vows to protect her against the shadows that haunt her, and a thousand year old vampire determined to silence them forever. Deep underground, the ancient one rests, plotting his next attempt to create havoc in Pine Forest. Nothing and no one will keep him from spreading his evil as Halloween swiftly approaches and the veil between worlds is thinnest.
