On the Borders of Rapture: Love Poems for Christian Women Geoffrey Todd

This book was written to honor Christian women. It speaks of longing for a Christian woman to love, of unrequited love, and of the desire for purity in romantic love. Purity in love is seen as the ability to love the soul, no matter the body. Thus the book also includes poems that honor Christian transgender women, although many of the poems in the book would apply to any Christian with a female soul. Some of the poems are humorous, but there are plenty that provoke deep thought, and anyone interested in Christian romantic love should enjoy the book.
