The Boys

Toni Sala

The Boys Toni Sala

The once-bucolic Catalonian village of Vidreres has been ravaged by a harsh recession, and now two of its young men have died in a horrible car crash. As the town attends the funeral, a banker named Ernest heads to the tree where they died, trying to make sense of the tragedy. There he meets a brutish trucker, who in between Internet hookups and trips to prostitutes has taken a liking to Iona, the fiancée of one of the dead boys. Iona might be just what he needs to fix his tawdry life, but she's mixed up with an artist who makes frightening projects. Masterfully conjuring the voices of each of these four characters, Toni Sala entwines their lives and their feelings of guilt, fear, and rage over an unspeakable loss.

Long known as one of Spain's most powerful authors, Toni Sala is at his mischievous best here, delivering a sinister, fast-moving tale laced with intricate meditations on everything from social networks to Spain's economic collapse to the mysterious end that awaits us all. *The Boys* is a startlingly honest vision of the things we'll do in order to feel a little less alone in this world.

From reader reviews:

George Harvey:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this The Boys to read.

Eric Frances:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is inside former life are challenging be find than now is taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take The Boys as the daily resource information.

Martin Hobson:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some investigation before they write for their book. One of them is this The Boys.

Eric Rodriguez:

The book with title The Boys possesses a lot of information that you can find out it. You can get a lot of profit after read this book. That book exist new understanding the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to be aware of how the improvement of the world. This particular book will bring you throughout new era of the globalization.
