Prepare yourself for some **VERY** inappropriate workplace behavior!

Indulge in three decadent tales of office adultery and workplace romance!

Acclaimed erotic author **Felicity Fleming** is back, with three sizzingly sexy scenarios set in the office or workplace. From a lobbyist in Washington DC, to an Intern in the suburbs, discover just how dirty and depraved things can get when HR isn't around to complain about it!

In this collection, you'll read:

- **A Lineup for the Lobbyist:** Sexy young lobbyist Maria is making enemies in Washington D.C. - so much so that they hire menacing mercenary Reginald Campbell-Black to kidnap her off the streets, and steal her away to a remote location. But little do the politicians know that Reginald and Maria have a personal history - and he's taking special pleasure in trying to coerce her into cooperation. "I'm going to enjoy breaking you," Reginald warns, hard and throbbing at the thought. "Do your worst," Maria taunts him - knowing that her sadistic former lover will do exactly that. And for the prim and proper young lobbyist, indignity is just the beginning. Rather than betray her word or her ideals, she'll willingly face anything Reginald can throw her way - which, in this case, includes four dozen hard, horny and eager young soldiers. "Do as I ask," Reginald warns, "or I'm going to tie you up, and have each and every one of them take their pleasure with you." And then he smiles wickedly. "I know you're not on birth control; so either I'll leave here with what I want, or you'll leave here all knocked up."
- **Spanking the Secretary:** Curvy submissive Anne-Marie couldn't believe her luck when the sexy and mysterious Rufus Holtz answered her FetLife personal ad. One of America's first black billionaires, this sexy stud is as alpha as they come; and likes to exhort his overwhelming power by dominating sexy, submissive girls like Anne-Marie. That's how she's found herself serving as his very 'personal' assistant. But there's a price to pay for that relationship - and today, it sees a tardy Anne-Marie offering herself up to Rufus, to make do for coming in late. Biting her lip, and quivering at the very nearness of him, Anne-Marie prepares herself to get ruthlessly spanked across Rufus' imposing desk - and then make herself available for this sexy businessman to 'relieve' his stress deep inside her. For Anne-Marie, waddling back to her desk wet and sticky has become something of a habit - and she wouldn't change that for the world.
- **Interracial with the Intern:** Intern Cassie is nearing the end of her summer work placement, and has only a few days left before she's back to class with a big, fat scholarship check in her pocket. But all that gets thrown into jeopardy when an innocent typo creates a racially-charged crisis at work. With her internship - and, more importantly, that scholarship - hanging on the line, Cassie does the unthinkable to save her college career. She agrees to trade her lithe, lean body in order to brush the 'incident' under the carpet. And for Tyreese and Derek, her horny black supervisors, that's a deal too good to turn down. So pulling down the blinds and shutting the office door, they peel Cassie out of her dress and enjoy her firm, young, athletic

body.
