## **A Trumpet In The Time Of Trouble: Volume 1** Scott Testori

In the Word of God, one of the books which is either not understood, misunderstood, or ignored altogether is that of the prophecies of Ezekiel. The symbolism and seemingly eccentric behavior of the prophet has resulted in quite a few speculations about the prophecies, many of which fall far short of what the Lord is saying. In this book, the author looks at the writings of Ezekiel, not as an historical account, nor as prophecies concerning the nation of Israel, but as a message to the church today. The intention is not to find fault with His people. Rather, it's intended as a wake-up call for the times that we're in, as well as the times that are ahead.
