Alpha Games Boxed Set (Paranormal Shifter Romance BBW): Volumes 1-4 Terry Bolryder

Two years ago, voluptuous she-wolf Aspen ran from her shifter pack. With females of her kind getting increasingly rare, she knew if she stayed she'd be pressured into mating with Rafe, the gorgeous, blue-eyed son of the alpha. Not that she hasn't always adored him, but she couldn't stand the thought of a mating of convenience. Now she's back, on the run from a dangerous stalker and emitting pheromones that make every wolf nearby want to claim her. But this time, Rafe is determined she'll be his. He just needs to convince her that he has always wanted her, and it was never about convenience.

Important note from the author! Alpha Games is a 4-part, completed paranormal romance serial about a female wolf shifter and the three sexy alphas she's destined to choose between. The story is told in novella length episodes with cliffhangers, and is contained here in its completion for the first time by request of readers.
