Secret Service Agent Grant Dwyer retired two days ago—so of course that's when the dead start rising from their graves, starting the zombie apocalypse. Grant's instincts tell him the solution to solving everything lies within the Secret Service headquarters in Washington, DC.

If he can get there first.

Along the way, Grant will battle zombies, terrorists, and even his own heart, which turned to stone a long time ago. Is the mysterious, and straight, engineer he meets on the way to Washington an ally—or just another distraction keeping Grant from fulfilling his mission? And when Grant finds himself attracted to his mysterious ally, will he shut off his feelings, or will his attraction grow into something that can stop the zombies and save humanity—and possibly himself?
