\*\*\*This is the final book (book #4) of the Sweet Series\*\*\*

...That which starts bitter ends sweet.

What do you do when those you love are about to be executed? You raise Hell.

Nariella Woodlinn has managed to escape death more times than she can count. Frequently saved by the Night Elf she loves and her protective best friend, it's her turn to return the favor. Those she holds most dear to her heart are set to be executed by the most vile creature in all of Luinil - their uncle. Armed with determination and a not-so-confident plan, Nari must wage a war that goes against her very genetics in the hopes of stopping their impending doom.

But that seemed like the least of her problems when she is ordered to make Mycah fall out of love with her. Forced to let go of the one person she had ever fully given her heart to, she sets off on her own to mend, until unexpected visitors shock them all.

With their home threatened, Nari's heart broken, and Ohtar set on the loose - how can any of them ever hope to obtain *Redemption*?
