Mike Donovan the Making of a Man (Classic Reprint) Marshall Stillman

This work is written as an affectionate tribute to one who has come up out of brutal associations and who rejoiced in that he was surrounded by children of whom he was proud and by friends whom he loved. The author hopes that in the lack of minute detail in certain of the Professor's fights the reader will not be unduly disappointed. Those who have seen prize-ring bare-knuckle contests can fill in the lapses and those who have not been at the ring side are saved the knowledge that man descends to such brutality. To the innate integrity of Mike Donovan's character and to the fortunate occurrence that he married early in life a woman of sterling worth who always retained his utmost respect and strongest love, is due the fact that he is alive, well and enjoying good health and life to-day.

(Typographical errors above are due to OCR software and don't occur in the book.)
