Wilkie Collins

No Name (Oxford World's Classics) Wilkie Collins

Condemned by Victorian critics as immoral, but regarded today as a novel of outstanding social insight, *No Name* shows William Wilkie Collins at the height of his literary powers. It is the story of two sisters, Magdalen and Norah, who discover after the deaths of their dearly beloved parents that their parents were not married at the time of their births. Disinherited and ousted from their estate, they must fend for themselves and either resign themselves to their fate or determine to recover their wealth by whatever means.
