Selene: Revenge Series Book 1 Ashlee Shades

Selene is happy. She is content. She is an independent woman with a hard-working, loving boyfriend. She has it all. Until she doesn't.

Selene decides to surprise her boyfriend on his first night home from a long business trip. She sneaks into his home, and into his bedroom, only to find another woman occupying his bed with him. Hard-working is right! He is hard at work with another woman.

Not listening to his excuses, she storms out of his house and heads home to plot her revenge, which consists of hooking up with a few of his best buddies and sending him photographic evidence of her fun.

Oh! And when he decides to show up at her apartment early one morning, begging for forgiveness, she decides to exact a little more revenge in the form of submission and humiliation.

What kind of humiliation you ask? Well, you will have to buy, or borrow the book to find out.

If you are looking for something a little different, but just as hot as the submission of Fifty Shades of Grey, or the burn of the Crossfire novels, then you'll enjoy this book of a scorned woman getting her revenge on her bad boy ex boyfriend. She's taking control now, and she is driven to make him pay.

(Names, places, and scenes are products of the author's imagination and any resemblance to real life persons/events is purely coincidental.)

Note: This book was previously published under the title Revenge by Jenny Foshia. Only title and author name have been changed.
