**You and your family's survival will be dependent on a collection of the choices that you make now and later**

Life as you know it can change at the blink of an eye! Becoming a survivor is something you have to prepare for before the disaster strikes, and this means preparation in every sense of the word. Surviving means being prepared both mentally and physically for anything that may happen, this means having the knowledge, the strategies and the tools to survive any disaster. Failing to plan is planning to fail, and failing to plan for a survival situation is the difference between life and death. One of the most vital parts of survival is knowing what to prepare and what things are essential in order for you to survive.

You're about to discover...

In this Survival Guide you will find knowledge on setting up your shelter, hunting, gathering, and preparing food in the wilderness. You will find tips for surviving in several different scenarios. In order to survive any emergency situation, you will need some fundamental knowledge in order to survive. You will have no one to depend on but yourself.

## **Here Is A Preview Of What You'll Learn...**

- Preparing the Essentials
- How to Survive Anywhere
- Facing Disasters
- Finding Food
