One quarter of Americans have begun or are beginning to work on the second half of their lives. *Tapestries* was written for all those trying to gracefully move through this rich yet confusing period. The meditations focus on topics that relate to the reader's passage through this life stage: change, impermanence, transformations, immortality, growth and survival. *Tapestries* can be creatively used to fit the needs and interests of the reader. Some may want to choose a specific topic, others may want to randomly select a page and still others may choose to start at the beginning and work their way through to the end. Quotations from a variety of authors, time periods and religious traditions are an important part of each reading.
