The Love Letter Fiona Walker

Can fate be signed, sealed and delivered?

When **Allegra North** parted from first love **Francis** after a decade together, she poured all her regret into a letter. He didn't reply. A year later, her job brings her back to the beautiful Devon coast where romance first blossomed and she hopes that they can start a new chapter.

As summer storms circle, the exes juggle rebellious parents, vengeful family members and a very reluctant celebrity author who holds the key to everybody's future . . .

The Love Letter is a wonderfully warm comedy of mistaken identities, new loves and old flames.
