The Secret Magdalene: A Novel Ki Longfellow

Raised like sisters, Mariamne and Salome are indulged with riches, position, and learning—a rare thing for females in Jerusalem. But Mariamne has a further gift: an illness has left her with visions; she has the power of prophecy. It is her prophesying that drives the two girls to flee to Egypt, where they study philosophy, mathematics, and astronomy in the Great Library of Alexandria.

After seven years they return to a Judaea where many now believe John the Baptizer is the messiah. Salome too begins to believe, but Mariamne, now called Magdalene, is drawn to his cousin, Yeshu'a, a man touched by the divine in the same way she was during her days of illness. Together they speak of sharing their direct experience of God; but Yeshu'a unexpectedly gains a reputation as a healer, and as the ill and the troubled flock to him, he and Magdalene are forced to make a terrible decision.

This radical retelling of the greatest story ever told brings Mary Magdalene to life—not as a prostitute or demon-possessed—but as an educated woman who was truly the “apostle to the apostles.”

From the Hardcover edition.

Joan Naylor:

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we really wish for. A book is a list of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This e-book The Secret Magdalene: A Novel was filled regarding science. Spend your spare time to add your knowledge about your technology competence. Some people has distinct feel when they reading some sort of book. If you know how big good thing about a book, you can really feel enjoy to read a reserve. In the modern era like today, many ways to get book you wanted.

James Martin:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Secret Magdalene: A Novel can make you feel more interested to read.
